Private Insurance Policy

I am not currently contracted with any insurance companies. Some insurance companies may still cover my fees. At times there is a deductible, at other times there is not and there are times I am not covered at all. Unfortunately, it is never consistent. You can pay at the time of service, and I can provide you with an invoice for the session. In many cases, you can submit it to your insurance company for reimbursement.

Please let me know if you have questions, thank you for your understanding.
